

Sermon Notes 08/09/26

You can't _____ the wrong road take you to the right place.

Your direction _____ your destination.

Is the _____ you're on going to take you where you ultimately want to be?

Where do you need to change? (U-turn)

Where do you need to keep going? (Don't give up!)

Read a Proverb a day. Apply it!
Find an accountability partner.
