

How to Support Without Compromising Security

Promotion of Appointed Representative to an ACN or RN: There are two promotional levels that are available for Access Challenged and Restricted Nations. They are as follows:

YELLOW

Criteria

- Widespread violent crime against foreigners
- Occasional terror attacks and/or kidnappings
- Heavy digital surveillance affecting visas or entrance
- High religious or political persecution in certain areas
- Limited ability to hold regular religious activities

External Promotion Protocol

- **No digital presence.** No presence on the GM website.
- **GM Map, PIM form, deputation bios/webpage, and district promotions:** use only the representative's initials and silhouettes, plus the RN or ACN designation.
- **PIM certificates and PIM statements:** use only the representative's initials, the RN or ACN designation, and the country name.
- **UPCI Manual:** show country name and note that RN/ACN representatives are present; do not list personal names.

RED

Criteria

- Extreme violent crime against foreigners
- Frequent terror attacks and/or kidnappings
- Extensive digital surveillance affecting visas or entrance, with potential imprisonment or expulsion
- Extreme religious or political persecution, including death or imprisonment
- No legal way to hold religious activities
- Large areas controlled by terror groups
- Regular imprisonment of Westerners

External Promotion Protocol

- **No digital presence.** No presence on the GM website.
- **GM Map, GM website, deputation bios, and district promotions:** no mention or visibility.
- **PIM form, PIM certificates, and PIM statements:** use only the representative's initials plus the RN or ACN designation.

Promotional level is assigned through mutual agreement with the Regional Director and GMAC and is assigned per nation. The promotional level (color) will apply to all Representatives (Appointed Career and Intermediate, as well as Short Term personnel) sent to that nation.

All Appointed Personnel assigned to these nations must follow the assigned designation level.
