What is the Amazing Race?

Glad you asked: It's an extreme team scavenger hunt somewhere in/near Grand Rapids (we start at church and go from there until our final, undisclosed destination). We encourage students to invite friends from outside of youth group and many people from Thornapple join in the fun as location hosts! Details and sign up coming soon!

Students:
Do you have games, concerts, art shows or performances?
Shoot a text or email to Peter with the details so they can be shared with small group leaders - we want to come see YOU do your thing!
