## GREETING

Dear Life Chapel Family,

We are so excited to celebrate all that was accomplished in 2025 for Kingdom Builders, and we look forward to what the Lord will do through us in 2026.

Romans 10 asks a set of questions that still press on us today:

How can people call on the Lord if they don't believe? How can they believe if they've never heard? And how can they hear without someone telling them?

That's why this matters—42% of the world is still unreached. Not people who heard and rejected the gospel, but people who haven't had a real opportunity to hear it at all. We believe everyone is equally lost without the gospel, but not everyone has equal access to it.

There are entire people groups with little to no gospel witness—no local church, no Bible in their language, no steady presence of believers. So Paul's questions become our responsibility: how will they hear?

They'll hear because the church goes.  
They'll hear because we pray.  
They'll hear because we give.  
They'll hear because we send.

We won't look away—we'll be part of getting the gospel to those who still haven't heard.

One of our Kingdom Builders partners shared a story from outreach in one of Islam's most sacred communities. A Muslim couple gave their lives to Jesus, and as they realized Jesus is the only way, another thought hit them: What about our mom and dad? Our family members who may have died without ever hearing the gospel?

Then they asked a question that still echoes: "What took you so long?"

That's a haunting question—especially when apathy can quietly creep in. The Great Commission is our responsibility. So we choose to be generous and bold, sowing gospel seed all around the world... so that all may hear.

Pastor Brian & Jeannie Fisher

## PROJECT HIGHLIGHT BETHLEHEM SCHOOL

Many children in Bethlehem are underserved and have limited access to education. The Jerusalem School Bethlehem is meeting this need with excellence, but they are out of space and need a new building to sustain growth for future generations.

The Jerusalem School Bethlehem offers a Christian education to students in grades K-12. Classes are currently held in multiple locations, with a significant portion in rented space, which they have far outgrown. The new school will be constructed on land they own, increasing the student population from 800 to 1200. The new facility will house five stories of classrooms all in one location.

## SUCCESS STORY - MEET ROSA

13-year-old Rosa of Cienaga, Colombia receives a quality education through Latin America ChildCare (LACC).

The LACC school in Cienaga offers a complete line of kindergarten through high school classes and runs two sessions per day, AM and PM. Each session has approximately 310 students. Curriculum follows governmental guidelines and also includes Bible training and weekly chapel services.

## YOU ARE MAKING A DIFFERENCE

Dear Pastors Brian and Jeannie, and through you, to everyone at Life Chapel Point Pleasant, Happy Thanksgiving! Even though Thanksgiving isn't celebrated here in Bulgaria, we are taking this opportunity to thank God for you and for the incredible work you do in spreading the Bible, Pentecostal teaching, and a deep love for God's Word around the world - and especially here in Bulgaria. We pray that God will richly bless you, your families, and your ministry, and that He will meet all your needs according to His glorious riches in Christ Jesus. On behalf of Pastor Rumens Bordjiev, General Superintendent of the Bulgarian Assemblies of God, and everyone involved in the work on the Bulgarian Second Edition of the Fire Bible, please accept our warmest greetings and heartfelt prayers. We thank God for you!

In Him, Pastor Ludmil Arsov

## BUDDHIST HINDU PRIORITY

Global University's mission is simple: seek the lost and train the found. God is moving in powerful ways. In 2025 alone, more than 6 million lives have been impacted by Jesus through Global University. Since 2020, that number has grown to 20,207,350 lives impacted.

And still, people are coming to Jesus. Over the last 10 years, 3 million people have given their lives to Christ through the Upper Room Institute. This growth has come at a cost: in one country alone, the Upper Room Institute has seen 67 martyrs for Jesus.

Please pray for our brothers and sisters who follow Jesus despite persecution. One new believer described finding Christ as absolute joy and freedom—so real that he said he is not afraid to die and will never return to the fear and oppression he once knew.

# WHAT IS UNREACHED?

---

LIFE CHAPEL IS COMMITTED TO REACHING THE UNREACHED  
WITH THE GOSPEL.

SUPPORTING GLOBAL  
WORKERS IN ISLAMIC,  
BUDDHIST AND HINDU  
SENSITIVE AREAS

## What is “unreached”?

This is a term coined to describe a people group with less than 2% evangelical Christians; and less than 5% professing Christians.

**Forty-two percent (42%)** of the world population is considered unreached with the message of Jesus. The Joshua Project accounts for 7,130 people groups and 3.6 billion unreached. There are 3,272 languages that still do not have a written Bible according to Wycliffe Bible Translators.

Even more, there are many people groups considered “Never reached”, meaning there is no record of the message of Jesus ever being shared.

## How is Life Chapel helping?

Life Chapel supports twenty-five missionaries on a monthly basis who are serving “unreached” people groups. **Sixteen** of them serve in **Islamic, Buddhist and Hindu** “sensitive” areas across Asia, Eurasia, and Africa. Please pray for them as they work for the Lord in potentially dangerous areas.

We desire to support missionaries all over the globe, and at the same time, we understand the importance of funding people and projects who are blazing new trails with the gospel.

Life Chapel missions prioritizes the **lost**, the **last** and the **least**.
