

FIELD DAY

This year's Field Day was a great experience to show off your scout skills. Scouts went to various different stations and did their best at every one. Five of our scouts earned a Gold E, and many Block, Silver, and Platinum E's were earned. Scouts competed in tying knots, lashings, and so much more. Thank you to everyone that participated!

CAR WASH

This year's car wash was a great fundraiser. Scouts washed and dried cars, and some helped sell extra products to give the cars a shine. Thank you to everyone who helped!

JOSHUA TREE CAMPING TRIP

The Joshua Tree camping trip was a great opportunity to rock climb. Some scouts went on a hike to the peak of Ryan Mountain. Others rock climbed and learned knots for the the climbing merit badge.

POINT MUGU BACKPACKING TRIP

The Point Mugu backpacking trip was a great opportunity for younger scouts to get a feel on how backpacking trips work. It was a very beginner-friendly backpack with great scenery. Thank you to everyone who went!

PUMPKIN SMASH TRIP

The Pumpkin Smash Trip was a very fun opportunity to learn how to properly use fire arms. Scouts shot various different types of guns at pumpkins. There were also stations with tomahawks and slingshots. Thank you to everyone who participated!

MALIBU CREEK TRIP

The Malibu Creek camping trip is always very fun. Scouts go on a scavenger hunt to different places and take pictures. The scenery was very nice and the hikes were refreshing. Thank you to everyone that went!
