SMALL GROUPS THIS FALL The idea of small-group ministry is to create opportunities for people connected to our congregation to get together during the week, outside of worship, and deepen their relationships with God and each other. This will happen every other week through things like conversation, shared interest/activity, Bible study and/or food. Below, we'll share the locations, schedules, and other details of each group. As you find one or more groups that work for you, place your name on the appropriate sheet(s) and we'll contact you with reminders/updates to that group.
