VBC'S CORE VALUES

WORSHIPING GOD
the act of celebrating together and honoring God every day.

BUILDING COMMUNITY
the development of a church family devoted to loving and caring for each other.

MAKING DISCIPLES
the choice to help people know Jesus Christ and grow in relationship with God.

STUDYING THE SCRIPTURES
the commitment to learn and follow the Bible as God's perfect and inerrant Word.

Our church family loves gathering together on Sunday morning to worship the true and triune God of the Bible: Father, Son, and Holy Spirit.

This includes songs of praise as well as real, substantive time studying the Bible, which we wholeheartedly believe is the authoritative Word of God.

Take a moment and prepare your heart to worship the Lord! Give thanks for Jesus' sacrifice that purchased our salvation, and for Him to be glorified through our time together.

During the sermon portion of the service, VBC wants to give kids the ability to learn about the Lord in age-appropriate ways. There is infant/toddler care, a class for children grades K–4 and another for grades 5-8, all meeting downstairs.

Our ministry workers for today are:
Infants/Toddlers: Liz Thomson
Sandlot (K-4): Donna Garcia
Gravel Group (5-8): Josh Lupo

Operation Christmas Child

Shoeboxes are now available!

Each year we partner with Samaritan's Purse to fill shoeboxes with presents to be distributed to children around the world at Christmas time. See Goldie Bachelder and pick up your shoeboxes in the lobby. She also has lists of suggested items to pack, labels, and soccer balls to add to the boxes.

Another option is to fill a box or two, (or three, or more!) online at https://www.samaritanspurse.org/what-we-do/operation-christmas-child/. If you choose this option, please go to the church app or click here and enter how many shoeboxes you filled - This is only for online shoeboxes. Our goal is over 235 boxes this year!

**Shoeboxes must be in by November 15!*

Solomon Islands Solar Project

Dave Barton, one of the missionaries we support, is raising money to install a stronger solar power system serving SITAG, the Solomon Islands Translation Advisory group. Electricity costs in the Solomon Islands are roughly six times the cost here in the U.S. Less money spent on electricity means more money spent on Bible translation and other efforts. The total goal for this project is $40,000. If you'd like to support this venture, please write a check to VBC designating it to Solomons Solar System, and VBC will match the funds raised!

**final week to give!*
