

# Be The Hands

**“Be The Hands!”** – A Week of Mission Work and Fellowship

We hope you'll plan to take part in CPC's Be the Hands activities this spring. Be the Hands offers many one-time service opportunities in a one-week timeframe, from March 14 through March 21. We would like to see many of our members participate, by committing volunteer time to a service opportunity, or donating items needed for some of the projects. Please join your CPC family to be the hands of Christ, spreading Christ's love throughout our community. Sponsored by the Community Partnerships team, this is a great time of service and fellowship. We have a variety of projects to complete. No matter your age, interests, talents, or family status, there will be something for everyone. Together, we'll continue to Be the Hands of Christ for so many in our community and beyond!

**Project Sign Up** – On-line project signups will begin next week, Sunday, March 1, via Sign Up Genius. Some service opportunities can be completed independently, so you have the flexibility to participate on your own schedule, and others will give you a chance to work with other church members. We welcome you to participate in one or more of these important activities.

**Giving Tree:** Some of the items we need for these projects will be purchased by the church, and we ask that others be donated. The giving tree will be on the bulletin board in the Narthex this Sunday, February 22, with tags describing the items we need. We hope that you can take a tag and return the item to the Narthex by March 8.

**Food and Fellowship:** We'll have a time of fellowship and celebration after the worship service on March 22. We'll have snacks (promise we won't ruin your lunch!) and share with each other what we've done and what we learned.

For more information or to help with planning, please contact Julie Page, [pagejb4@gmail.com](mailto:pagejb4@gmail.com)

We look forward to working together to Be the Hands of Christ in the world!
