

# Congregational Care

The Congregational Care Team was created to provide support and care for every member of our congregation, particularly those who are homebound, hospitalized, grieving, or feeling alone. Our love and care are delivered through phone calls, visits, cards, meals and other ways that meet their needs.

## **Bereavement Committee**

The bereavement committee is divided into teams which provide love and support to church members who have lost a loved one. This is done by providing a meal for the family or refreshments for a visitation on the day of the funeral or memorial service. ## **Card Ministry**

Through this ministry, church members, who need extra love and support, regularly receive cards of encouragement or get well wishes. Contact Anne Carver at **[anne@jarvis.church](mailto:anne@jarvis.church)** or Gayle Hardy at **[gaylehardy46@gmail.com](mailto:gaylehardy46@gmail.com)**.

## **Church Social Committee**

This committee plans and carries out church-wide social events for fun and fellowship throughout the year. It encourages and oversees social events sponsored by other groups in the church. Contact Lori Warren at **[lbhwarren@gmail.com](mailto:lbhwarren@gmail.com)**
