

Hey DFMC Family and Friends,

Family Fall Festival is almost here, and we would love for you, your family, and your friends to join us this Sunday! Our **outdoor worship service begins at 10:30am**, followed by a **free lunch** and plenty of time to enjoy the afternoon together. We'll have bounce houses, games, cotton candy, popcorn, and activities for the kids. All at no cost.

Come comfortably dressed, bring a lawn chair if you have one, and feel free to invite someone who could use a relaxed and welcoming Sunday. You don't need to know anyone or know anything about church to belong here.

Everything you need for the day is now in one place: dfmchurch.org/fff. Bring your phone and use our Family Fall Festival mobile site to:

- Follow the worship lyrics
- See the schedule and helpful information
- Fill out a connection card
- Share a prayer request
- Discover upcoming opportunities for children, teens, and adults

You may even want to open the site before Sunday and save it to your phone!

A new message series begins Sunday: NEEDED

What does our community really need from a church, and why does a church need its community? Over the next several weeks, we'll explore what it looks like to become the kind of people who move beyond simply attending church and begin bringing the love of Jesus into our neighborhoods, relationships, and everyday lives. This Sunday's message is "**Need a Church Like This**," based on Acts 2:42–47. It will be brief, family-friendly, and may require a little audience participation!

A few helpful details:

- Worship begins outdoors at **10:30am**.
- Infants through kindergarten may check in (thru **Door #4**). Older children will remain with their families during worship.
- Lunch and all festival activities are free.
- The service will not be live-streamed, but a recording will be available later.

If you're traveling, we'll miss you. If you're able to join us, come ready for a joyful morning of worship, food, fun, and connection.

I'm looking forward to sharing the day with you!

Blessings,

Pastor Shane

P.S. Who could you invite? A simple text like, "Our church is having a free outdoor festival Sunday. Want to come with us?" may be all it takes to help someone feel welcome.
