

Hi DFMC Family!

Have you ever felt too young to be taken seriously? Too busy to invest in others? Or wondered if you still have something meaningful to offer?

Here's something worth considering: **Every generation has something another generation needs.** This Sunday, we're continuing our **NEEDED** series with a message called **"Need Every Generation."** We'll explore Titus 2 and discover why following Jesus was never meant to be a solo journey. We need people who can share their wisdom, challenge our thinking, encourage our faith, and help us grow. And we have something to offer others, too!

Imagine a church where nobody is too young to contribute, nobody grows too old to matter, and everyone has a place to belong. That's the kind of community we want to become.

Join us this Sunday at 10:30 AM at Davison Free Methodist Church. There's a place for you!

Pastor Shane

P.S. SOCKTOBER IS HERE!

We're collecting new socks and other items throughout October to support **Clara's Hope** and help meet practical needs in foster/adoptive families in our community. Bring some socks and supplies with you this Sunday and help us turn a simple act of generosity into a meaningful expression of love. Every pair matters! More information: [click here](#)
