

Happy Friday

Sometimes the heaviest things we carry... were never ours to carry in the first place.

Other people's reactions. Other people's emotions. Other people's problems.

Many of us quietly live with the pressure that everything depends on us — keeping the peace, fixing the conflict, holding everything together.

This Sunday, we're wrapping up our *Renewing Your Mind* series with a message called: **"Everything and Everyone Depends on Me"** We'll explore Romans 12 and the difference between what God asks us to carry... and what only He can hold: "If it is possible, as far as it depends on you, live at peace with everyone." — Romans 12:18

As Pastor Kaylee said last week:

"You were never meant to carry everything. You were never meant to save everyone. That role is already taken." If you've been emotionally exhausted... overwhelmed... or carrying more than you were designed to hold... this Sunday is for you.

Join us Sunday at 10:30am Come as you are. Bring someone with you if you'd like. There's a place for you here.
