First Image first-image.org	Pray for...	First Image has been working for over thirty years to live out God's heart to renew his image in the lives of those that have been impacted by sexual brokenness and abortion. They believe that God's people are at their best when they respond with compassion toward those who are vulnerable, voiceless, or misled. God has called them to serve unsupported women in our city facing unplanned pregnancies, the children they carry, students who are in desperate need of transformation in their relationships and sexuality, and men and women burdended by the pain of past abortion.
		<p>> Ava Health has some Spanish radio ads that are live and we are praying that they will be a trustworthy invitation to the Spanish-speaking community, and particularly for women facing unsupported pregnancy.</p> <p>> Just this week (end of March), I've heard from our clinic staff teams about several challenging appointments with women considering abortion. The bigger prayer is that they show up to the follow-up and ultrasound appointments.</p> <p>> Women come into the clinics with a wide variety of circumstances and support networks. Pray specifically that those facing a domestic violence situation would be encouraged and experience the love of God and our staff during their appointment, & that God would move powerfully to bring them and their children into a safe and flourishing environment.</p> <p>> PRAISE: Beaverton has a new Assistant Clinic Manager starting next week! Thank you for praying for that need.</p> <p>Mission Team Liaison : Roberta Jones - roberta.jones01@gmail.com</p>
