Local Partnerships

Love INC

loveinc.org

Love In the Name of Christ is a local organization in Hillsboro that strategically cares for people/families in need. Their whole strategy is to give a hand UP and not a hand OUT. They do this really well in many unique ways.

Mission Team Liaison: Dwight Johnson - dwightj@me.com

- Additional volunteers to join in to use their gifts to the glory of God.
- Several people to be called to serve on the board of directors.
- Grace, wisdom and support for our neighboring mothers.

First Image

first-image.org

First Image has been working to live out God's heart to renew his image in the lives of those that have been impacted by sexual brokenness and abortion for over 30 years. They believe that God's people are at their best when they respond with compassion toward those who are vulnerable, voiceless, or misled. God has called them to serve unsupported women in our city facing unplanned pregnancies, the children they carry, students who are in desperate need of transformation in their relationships and sexuality, and men and women burdened by the pain of past abortion.

Mission Team Liaison: roberta.jones01@gmail.com

- Pray the repair of fire bombed Gresham Center stays on track.
- Pray we find people to fill new positions who have the desire for this ministry.
- We ask for prayers for our staff as many are going through challenging times.

The Family Room

familyroomoregon.org

The Family Room is a ministry the works alongside DHS to care for children and families with children in foster care. Their vision is to provide a space for children living in foster care to have a relationship with their birth parents and increase the likelihood to be reunited with them. Their program model offers a homelike visitation space within the community and increases both the quantity and quality of supervised time families spend together.

Mission Team Liaison: Roberta Jones - roberta.jones01@gmail.com

- We are continuing to expand our clients at our Hillsboro location. Please pray that we are able to engage with families in need of our services.
- Please pray for consistent volunteers – they are difficult to find.
- **URGENT:** Please pray for funding – costs are rising faster than our resources.
