Family Discussion Questions:

1. What's something you've gotten better at over time that took practice and patience?
2. What does the word "sanctification" mean?
3. According to Ephesians 2:10, what has God saved us *for*?
4. What's the difference between being justified and being sanctified?
5. If God already accepts us because of Christ, why does He still want us to grow?
6. How is becoming more like Jesus different from simply trying to become a "better person"?

7. Have you ever gone through something difficult that God later used to help you grow?
8. Does grace give us permission to continue in sin, or does grace give us power to fight sin? Why?
9. If becoming more like Jesus is God's purpose for your life (Romans 8:29), what is one area where you need to stop resisting His work and start trusting Him this week?
