Three Steps Forward

We have all heard the expression, "Three steps forward and two steps back." The phrase is not describing the latest line dance routine. It is describing the ebb and flow of life. You make a little progress and then you regress a little. I'm sure many coaches feel this way. Their team is making progress and then they fall back into their old ways. I'm sure many teachers feel this way. Their students begin to study and make progress and then they stop studying and all learning stops. I'm sure doctors feel this way. They see their patient making progress and then a new symptom arises. We have all felt this way at different times in our lives. We take three steps forward followed by two steps backward.

This describes the ministry life of Jesus. John 6 shows us a great example of this. Jesus is surrounded by a large crowd of hungry people. Yes, they are hungry physically. But they are also hungry spiritually. Jesus filled both of their needs. Jesus taught, healed and encouraged the crowd while also feeding them a big fish dinner. That night Jesus and His disciples went to the other side of the lake. The crowd followed, eager to be with Jesus. Three steps forward! Then Jesus challenged them on what they were really seeking. Are they seeking bread for their stomach or nourishment for their soul? Many people turned away and went home. Two steps back! So Jesus turned to His 12 disciples and asked them, "What about you? Are you going to leave too?" I love Peter's response.

Simon Peter answered him, "Lord, to whom shall we go? You have the words of eternal life. We have come to believe and to know that you are the Holy One of God." John 6:68-69

There is a lot to learn from Peter's words. The first thing we can learn is that there are many other things out there that have things to offer. We can choose to follow Jesus or we can seek anything that our heart desires. But Peter came to the conclusion that we all need to reach, there is nothing out there that offers what Jesus offers. Other things may make us feel good. Other things are easier to follow. But nothing out there can offer eternal life. That can only be found by following Jesus.

Peter's life could be described by three steps forward and two steps back. But Peter teaches us to keep taking those three steps forward toward Jesus. The reward is worth the struggle.
