MEMBERSHIP PROCESS

We are excited that you are interested in becoming a member of Grace Community Baptist Church. This is an important step in your spiritual journey. The Bible says that every follower of Jesus should belong to a local church (Eph 2:19; Rom 12:5; Gal 6:1-2; Acts 20:28-29). It's through belonging to the local church where you can fully live out your calling as a believer.

The next step toward becoming a member of GCBC is to commit to attend two meetings that will help you understand who we are, what and how we do things here, and how you can be involved. The two meetings will be last an hour each and will take place within two weeks of each other.

Week 1: Meeting With the Pastor

PURPOSE STATEMENT

We exist to glorify God in love and worship; to love sinners by sharing with them the things of God; to mature believers by teaching and equipping those who God has called into salvation for ministry; to love, encourage, edify and be benevolent to all believers that a Sovereign God places in our fellowship.

VISION | PSALM 67

God Has Been Gracious to Us.

God has shown His amazing grace to us in our justification. This undeserved gift was bestowed upon the people of God and gives life to our once dead spiritual beings. By opening our eyes to see His glory (Eph. 1:16-19) we are able to pursue God in His Word.

God Has Blessed Us with Living Water.

The people of God are made alive for God's glory. As new creations (2 Cor. 5:17) we have a passion to eat the bread of life and drink the life-giving water. We can find this nourishment from Scripture, which is completely sufficient for our justification and sanctification.

God Is Pleased When We Walk According to His Word.

To "make God's face shine upon us" is in references to a king who hears from his audience and is pleased with the request made. This is a picture of God looking at our walk and being pleased in finding us obey His commands. Because we have been given grace by the Holy God and when we choose to trust and obey His sufficient Word, God "smiles" upon our lives. This is the aim of our existence – to please God.

So That... the Way of God Might Be Known Among All the Earth.

The purpose of walking "in a manner that is worthy of the calling to which we have been called" (Eph 4:1) is so that the world might know God. God has blessed His people so that His people can be true Ambassadors in this foreign land. The goal is that the world might look to us and "know that the Lord our God, He is God, and there is no other" (1 Kings 8:56-61).

LEADERSHIP STRUCTURE

Elder Staff

The Elder Staff, in consultation with the Lead Pastor, provides overall leadership and direction to the church staff, volunteers and employees. They are responsible for the daily operation and implementation of the vision, mission, and goal of the church along-side the Lead Pastor. The Elder Staff consists of each of the Elders, which have been voted on according to the GCBC Constitution and Bylaws. Per the original text of Scripture, a "pastor" is also an "elder" and/or "bishop" and/or "overseer."

Church Council

Members of the Church Council are men and women called to serve among and provide spiritual protection for the church body and are accountable to Christ and the church membership. They provide overall leadership to the church through prayer and commitment to the Word of God and are to set the example for all church members by their obedience to the mission of Christ and His church. It is expected that members of the Church Council are to demonstrate a high degree of spiritual maturity and leadership ability. Any member of GCBC can join the Church Council. You can simply join by consulting with the Church Council chairman. The Senior Pastor serves as the chairman of the Church Council.

Deacons

In accordance with the meaning and practice of the New Testament church, Deacons are to be men who display spiritual maturity, godly humility and servant leadership within the church. Deacons are responsible for supporting the Elder Staff in the ministry of the Word, caring for the needs of the church and community, and promoting the unity of the church. The duties of deacons include, but are not limited to:

- Administering aid to help the poor and needy in times of crisis and distress.
- Assisting in the care and encouragement of widows and the bereaved.
- Helping with pastoral care and membership ministries of the church.
- Aiding the staff in hospital ministry.
- Assisting in administering the ordinances of the Lord's Supper and Baptism.

Anyone serving on the Elder Staff, Church Council, as a Deacon or in any leadership capacity must be a member of Grace Community Baptist Church.

Week 2: Membership Class

OWN THE VISION - Church Membership

The church is a family. If you are a follower of Jesus Christ, God expects you to be a part of a local body of believers.

WHAT DOES THE BIBLE SAY ABOUT BELONGING TO THE BODY OF CHRIST?

- It is part of what **identifies individuals as genuine followers of Christ.** (*Eph. 2:19, Rom. 12:5*)
- It **provides you a spiritual family** that can support, encourage, and care for you in your walk with Christ. (*Gal. 6:1-2, Heb. 10:24-25, 1 Cor. 12:26-27*)
- It places you under the **spiritual protection** of Godly leaders. (*Heb. 13:17, Acts 20:28-29, 1 Pet. 5:5*)
- It gives you **a place to discover and use your gifts** that the Lord has entrusted you with for ministry. (*1 Cor. 12:4-27*)

WHAT IS CHURCH MEMBERSHIP?

When an individual is saved, he becomes a member of the body of Christ (1 Cor. 12:13). Because he is united to Christ and the other members of the body in this way, he is therefore qualified to become a member of a local expression of that body.

To become a member of a church is to formally commit oneself to an identifiable, local body of believers who have joined together for specific, divinely ordained purposes. These purposes include receiving instruction from God's Word (1 Tim. 4:13; 2 Tim. 4:2), serving and edifying one another through the proper use of spiritual gifts (Rom. 12:3-8; 1 Cor. 12:4-31; 1 Pet. 4:10-11), participating in the ordinances (Luke 22:19; Acts 2:38-42), and proclaiming the Gospel to those who are lost (Matt. 28:18-20). In addition, when one becomes a member of a church, he submits himself to the care and the authority of the biblically qualified elders that God has placed in that assembly.

We believe that church membership is a covenant between a local church and a Christian that consists of...

The church's affirmation of the Christian's Gospel profession

By extending church membership to an individual, the church is saying, "We recognize your profession of faith, baptism, and discipleship to Christ as valid. Therefore, we publicly affirm and acknowledge you as belonging to Christ and the oversight of our fellowship."

The church's promise to give oversight to the Christian's discipleship

This comes through teaching, preaching, church council oversight, and the mutual building up which all members of the church are to engage in (Eph 4:11-16).

The Christian's promise to gather with the church and submit to its oversight

By committing to a church through membership, an individual Christian is saying, "I recognize you as a faithful, Gospel-declaring church. Therefore, I promise to regularly gather with this church and to submit to its authority and teaching."

WHY DOES IT MATTER?

OBEDIENCE TO LEADERSHIP

Hebrews 13:17 states that Christians are to "obey your leaders and submit to them, for they are keeping watch over your souls, as those who will have to give an account." If there is no membership, which leaders should a Christian submit to? Do Christians have to submit to anyone with the title "elder" from any church? We believe that membership provides the direction for which leaders the members should submit to, and why.

LEADERSHIP OVERSIGHT

Acts 20:28 says to church elders, "Pay careful attention to yourselves and to all the flock, in which the Holy Spirit has made you overseers, to care for the church of God, which he obtained with his own blood." If there is no membership, for whom will the church leaders give an account? Will church leaders of Grace Community Baptist Church be held accountable for all Christians in south Oklahoma City, or for the members of churches that Grace Community Baptist Church has theological differences with? We believe that membership defines the scope of authority and accountability for local church leaders.

OUTSIDE/INSIDE THE CHURCH

1 Corinthians 5:12-13 states that Christians are not to judge the morality of those outside the church, but rather are to judge those inside the church, and remove unrepentant immoral members from fellowship if needed. How is being outside or inside the church definable if there is no such thing as membership? How can you remove someone if they aren't "in" to begin with? We believe that membership provides a proper context for making moral assessments and decisions about members' conduct and character.

CARE AND CORRECTION

Matthew 18:15-17 states that when a brother sins against you and does not listen or respond even after multiple witnesses address his fault, you are to involve the church. Without membership, who constitutes "the church," and who decides when someone is to be treated as an outsider ("a Gentile and a tax collector," v. 17) and lovingly called back to repentance? We believe that membership provides a clear process and path for care, correction, and restoration when a member is caught in sin.

WHAT ARE THE REQUIREMENTS OF A CHURCH MEMBER?

SALVATION

Church membership begins when a local church affirms an individual Christian's profession of faith. People might not be able to explain the Gospel well, but in one way or another they must be able to explain it. They must be able to say who they represent before the church is able to publicly affirm and acknowledge them as belonging to Christ. A profession of faith includes an understanding of the following:

- Recognition that we are born dead in our trespasses and sins. (Ephesians 2:1-3)
- We don't experience the abundant life God wants for us because of our sin. (Romans 3:23)
- The price of our sin is death or eternal separation from God. (Romans 6:23)
- God made a way to be made right with Him. (Romans 5:8)
- We must repent from our sins and receive the gift God has offered us. (Romans 10:9)
- We can freely receive this gift by God's Grace Alone through Faith Alone in Christ Alone. (Ephesians 2:8-9)

BAPTISM

Church membership is a public affirmation of someone's public profession of faith in Christ, and Jesus has appointed baptism as the means by which his followers publicly profess their faith in Him.

In Romans 6:1-15 Paul teaches us that the Christian is supposed to go through a similar experience to what Jesus went through in His death, burial, and resurrection. The difference is that Jesus died physically and actually came back to life; we're to die to our sin, self, and old ways and then rise again to live a holy life through the power of the Holy Spirit.

Baptism is an outward symbol of an inner change and transformation that has taken place beforehand. It's very important to emphasize the fact that this can only be accomplished through the power and strength of Jesus! It's not that we have to completely overcome sin before we can be baptized, but we need to repent of our past sins and have our mind made up that we want to overcome sin, as we will allow God to give us the victory.

In the same way that Jesus went down into the grave, we go down into the water of baptism, which represents our death to sin and the burial of our old life.

"Therefore, if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new." (2 Corinthians 5:17)

WHAT IS EXPECTED FROM CHURCH MEMBERS?

PARTICIPATE IN CORPORATE WORSHIP

True worship flows from the heart in recognition and response to the magnificence of Christ, and because of an understanding of the grace found solely in the Gospel. When we worship, we are focusing our hearts on God. When we are in corporate worship, we should be focusing our hearts on God alongside other believers. There is something powerful, even miraculous, about believers being united together to worship God.

GROW IN YOUR WALK WITH GOD AND OTHERS

We cannot grow effectively as a believer in isolation. We need Biblical community. Growing spiritually doesn't happen when we know what Jesus says. It happens when we apply what He says. And that happens best within the context of Biblical community where you have authentic relationships with people who have the same goal of growing in their relationship with God and others. Therefore, it is vital to get involved in a Sunday School Class - a place where people can be known, loved, cared for, pursued, encouraged, and challenged to be more like Christ.

SERVE OTHERS

We believe that God has given every Christian spiritual gifts to be used to build up the Body of Christ. Because of this, our church provides many opportunities to involve as many people as possible.

BE A HERALD

God has given you a unique opportunity to reach a group of people that no one else can. Find the place in your life where you can be most effective for the sake of the Gospel and proclaim "Thus saith the Lord," imploring others to be reconciled to God.

SEEK UNITY

John 13:35 says, "By this all people will know that you are my disciples, if you have love for one another." The world will know if we are Christians or not by the way we who are believers act toward one another. We all have a responsibility to be a source of unity by loving each other unconditionally and putting other's interests over our own.

GENEROUSLY GIVE

God calls us to be good stewards of the resources He graciously gives us. Part of our responsibility as church members is to joyfully give of our time and resources for the mission of taking the Gospel to the ends of the earth.

SACRIFICE

As a church member, we must put the Gospel work above our preferences.

PRAY FOR YOUR CHURCH LEADERS

Pray for wisdom and discernment as they lead, teach, provide, and care for the flock. Without prayer for our church leaders, we leave them open to enemy attack and limit the effectiveness of their ministry.

WHAT CAN CHURCH MEMBERS EXPECT FROM THE PASTORS/ELDERS?

According to the New Testament, elders are responsible for the primary leadership and oversight of a church. Church members should expect the elders to:

TEACH AND PREACH THE WORD

2 Timothy 4:2 tells the elders to “Preach the word; be prepared in season and out of season; correct, rebuke and encourage—with great patience and careful instruction.”

ENCOURAGE AND ADMONISH YOU IN SOUND DOCTRINE

Titus 1:9 says, “He (elders) must hold firmly to the trustworthy message as it has been taught, so that he can encourage others by sound doctrine and refute those who oppose it.”

PROTECT YOU FROM FALSE TEACHERS

Acts 20:28-31 pleads with elders by saying, “Keep watch over yourselves and all the flock of which the Holy Spirit has made you overseers. Be shepherds of the church of God, which he bought with his own blood. I know that after I leave, savage wolves will come in among you and will not spare the flock. Even from your own number men will arise and distort the truth in order to draw away disciples after them. So be on your guard!”

CARE FOR YOUR SPIRITUAL GROWTH

Hebrews 13:17 says, "Obey your leaders and submit to them, for they are keeping watch over your souls, as those who will have to give an account." As a church member you should expect your Elders to keep watch over your soul. In fact, this job is so significant that each Elder will have to give an account to God about how they did. What does this look like? Here are some few examples:

- They should help you grow in the knowledge of Jesus Christ.
- They should encourage you when you are burdened by the things of this world.
- They should protect you from the lies and deceptions that keep you from having joy in Jesus.

In short, Elders should care for your soul by teaching, encouraging, counseling, and supporting you, in every area of your life.

EQUIP YOU TO DO THE WORK OF THE MINISTRY

Ephesians 4:11-12 says, "So Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers, to equip his people for works of service, so that the body of Christ may be built up..." What does it look like to equip the saints?

- To help you grasp deeply the truth and power of the Gospel for your life
- To help you understand how to rightly handle the Word of God
- To help you discover your spiritual gifts
- To help you find a context for using those gifts to serve others

**"Elder" and "pastor" are not two different offices. They are simply two different words for the same office.*

BUILD YOUR FAITH - Get Connected

There are two primary essentials for any church member who wants to connect and get involved in the life of our church family:

WORSHIP TOGETHER

Our first act in response to a personal relationship with God through Jesus Christ is always one of worship. We must get it out of our mind that worship only happens when we come to church. Every day, all day long, everywhere you go, you worship. Every person was made to worship - to bring pleasure and honor to the God who made us. However, if someone chooses for some reason not to give God what He desires, they will worship anyway; simply exchanging the Creator for something He has created. It is imperative for the object of our worship to be God. Your worship matters to God. If it didn't, Satan would not be trying to steal it away. The truth is, we will become what we worship. A good practice if you don't like who you are becoming is to take an inventory of who or what is on the throne of your heart. Our service to God flows out of our worship of God. If we try and serve Him before we worship, we will end up tired and burned out. However, if our service to God flows out of our worship of him, we will be energized and our service will have power and impact.

There are two arenas of worship:

Personal Worship.

You will find that some of the most beautiful times of worship come when you are alone. Getting alone with God and being still is something we all need to add to our spiritual life. When we encounter God's presence in our personal worship, people will know we have been with Him.

Corporate Worship.

Corporate worship is an overflow of your personal worship. There is something powerful, even miraculous, about believers being united together to worship God. However, for this to happen, we have to physically be there. That is why we put a priority on Sunday morning worship.

During our time of corporate worship, we will celebrate together two ordinances:

Baptism.

(This is discussed further in the section on requirements for church membership.)

Lord's Supper.

We believe the Lord's Supper is a symbolic act of obedience whereby members of the Church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming. We believe this meal serves as a memorial reminding us of the broken body and spilled blood of Jesus on the cross because of our sins.

At Grace Community Baptist Church, we offer a "closed/open" Lord's Supper. Only those who are Christians should partake, but all Christians are welcome whether or not they are members of our local church. We will traditionally offer the Lord's Supper quarterly.

LIFE TOGETHER

Corporate worship is the main focus of our church, but the lifeblood is found in our Bible Study Classes where people develop authentic relationships and learn how to apply biblical principles to every area of their lives. There's a place for everyone:

SUNDAY SCHOOL CLASSES - 9:00am

We have classes that reach out to people of all ages and stages of life. The vision of every Sunday School Class is to create attractive environments that will allow us to connect people to **authentic relationships** that lead to **spiritual transformation**. We believe there are some core values we need to hold one another accountable to when it comes to creating this type of community.

The core values are:

- Devote ourselves daily to a personal relationship with Jesus.
- Pursue deep relationships based on agape love.
- Commit to accountability and growth through fellowship and study of the Word of God.
- Offer and receive Biblical counsel in all areas of life.
- Live authentically by sharing our struggles as well as our joys.
- Encourage and admonish one another faithfully towards maturity.

Once connected to a class, you will be encouraged to find your place to serve and use the spiritual gifts God has given to you to build up the body of Christ.

SUNDAY MORNING WORSHIP SERVICE - 10:00am

The primary focus of our fellowship is centered around our Sunday morning worship service. This is the day that we celebrate The Lord's Day. Sunday mornings are a key time for our fellowship to grow individually as collectively as we sing, pray, and listen to the preaching of the Word of God.

WEDNESDAY SERVICE - 6:30pm

On Wednesday evenings from 6:30-7:30pm, we have our family Bible studies. This is an incredible time when all the generations of our church body join together and study scripture together. This time together is of tremendous value to our entire church because we are able to see multi-generational ministry occur. The Bible study includes: music, expositional Bible teaching, scripture memory and arts and crafts.

OTHER FELLOWSHIP & BIBLE STUDY GROUPS

There is also an opportunity for you to join a fellowship group and/or Bible study group. Throughout our church we have many places where you can get involved in these areas. We have our Monday morning men's Bible study group, monthly ladies fellowship, multiple discipleship groups, monthly home groups and more.

JOINING THE GRACE COMMUNITY FAMILY

Are You Ready?

As Christians, we are members of God's household called to function, participate, and minister in a particular local church within the body of Christ. A healthy body requires that each member do its part well. A healthy church requires the same: members who are sacrificially committed and well-equipped to do the works of service that God has prepared in advance for us to do. Grace Community Baptist Church holds its covenant members in high regard; we expect the members to live daily as Ambassadors for Christ in the culture. God, in his sovereignty, placed us in this city, among these people, in this time, for His purposes.

Being a member of Grace Community Baptist Church is really about being part of a **family**. All members are disciples of Jesus, unified by their identity in Christ. This unity is expressed in the way they collaborate in loving God, loving fellow Christians, and loving non-Christians. Members who enter into a covenant with their local church are called to a higher degree of responsibility and service. At the same time, the church leaders are covenanted to assist members first and foremost, to love and lead, provide counsel and aid, and pray for, teach, and guide them.

WHAT IS COVENANT MEMBERSHIP?

A covenant is a promise. It is not a vow of "till death to us part." By covenanting with us here at GCBC you are agreeing to fully participate and remain faithful to the specifics stated in the signed covenant for as long as God has you here at this church. Because you value and respect the promise you have made, the authority of this church's leadership, and those God has placed in your life, a Covenant Member will prayerfully seek God, His Word and those over and around him or her before parting ways with GCBC. [The Membership Covenant is on the next page.](#)

HOW DOES SOMEONE JOIN GRACE COMMUNITY BAPTIST CHURCH?

1. Attend Meeting with the Pastor
2. Attend a Membership Class
3. Sign the Membership Covenant and Complete a Membership Card indicating how you are joining Grace Community Baptist Church:
 - **By Profession of Faith / Baptism** - as a new believer who wants to be baptized or a believer who has never been baptized by immersion.

WHAT WE WILL DO

Covenant Membership in Grace Community Baptist Church represents a significant commitment to following Jesus and taking part fully in the life, ministry, and fellowship of the church. Jesus is the head of the church, but the vitality and strength of his body depends upon the participation and involvement of the members.

The following are indicators one is fulfilling the responsibilities of Covenant Membership in Grace Community Baptist Church:

- I will attend worship faithfully. (*Psalm 100, Colossians 3:1-17*)
- I will strive to be a part of a Sunday School Class where I can develop authentic relationships with others, so we can help one another grow in our relationship with Christ. (*Acts 2:44-47*)

- I will practice and demonstrate the fruit of the Spirit in all circumstances, especially in times of difficulty or conflict. (*Galatians 5:22-26*)

Having been led by the Holy Spirit to receive Jesus Christ as my Savior and Lord, having professed my faith and been baptized by immersion, and agreeing with the above statements, I joyfully affirm my desire to enter into covenant with this local Body of Christ.
