

**16 hours that can  
change your life**

**Free training.  
Guaranteed job interview.  
Backed by the library.**

An initiative of  
the Tennessee State Library & Archives

Bendable's LegUp program exists to help train people with the skills they need to excel in a particular field of work.

Using the three different pathways, you can learn skills related to healthcare, manufacturing, or warehousing.

By following the steps here and finishing the courses, you will earn microcredentials that show employers you are ready to go!

These 16 hours can change your life!
