# Online Resources and Learning Guide

## Articles, research, and continuing education opportunities!

**Jackson-Madison County Library**

Opening Doors

Updated March 2026

## Learn Something New

Niche Academy provides ready-to-use tutorials for the most commonly used library electronic resources. Tutorials cover popular Jackson-Madison County Library resources such as Hoopla, TN READS, Ancestry Library Edition and many more.

### **Transparent Language® Online**

Builds all four core skills of a language: listening, speaking, reading, and writing. 100+ languages to choose from. English lessons for speakers of over 25 different languages. KidSpeak has kid-friendly lessons and interface in 6 languages. Mobile app available.

If you are looking to continue your education, pick up a new skill, or learn a new hobby, then we have the place for you. With Universal Class, you can take courses in subjects you enjoy for Free! When you complete a course successfully you earn Continuing Education Units (CEU).

This educational website for kids teaches numbers, addition and subtraction, shapes, patterns, measurements, and more through fun games and creative activities.

## Career and Social Services

GALE PRESENTS

Prepare for standardized tests with this valuable resource. It includes full-length practice tests for GED, SAT, ACT, AP, PSAT, GRE, LSAT, MCAT, TOEFL, U.S. citizenship, and more. It offers information on undergraduate and graduate programs and tuition and scholarship assistance, as well as a resume builder and interviewing advice.

As the U.S. government's official web portal, USA.gov makes it easy for the public to get U.S. government information and services on the web. Includes help with government benefits, financial aid, legal help, disability resources, and much more!

### **Bendable**

This website offers 16 hours of continuing education, where you can learn new job skills and secure guaranteed interviews with local businesses!

**AncestryLibrary is IP address specific, which means that you must be at our library and using our internet in order to access it. You may use your own device or our computers.**

## Research

TEL databases offer a multitude of resources, including homework help to new readers, consumer health information, business resources, leisure reading suggestions, and much, much more. Many resources in this guide can be found on TEL.

Access electronic versions of magazines, scholarly journals, e-books, newspapers, videos, podcasts and more!

### Genealogy

Fold3 provides access to US Military records, including the stories, photos, and personal documents of the men and women who served.

HeritageQuest Online includes images and indexing from the 1790-1930 US censuses. It offers over 20,000 books, including nearly 8,000 family histories and over 12,000 local histories.

Ancestry.com, delivers billions of records in census data, vital records, directories, photos, and more.
