THE MILLENNIUM

But Gary, what about the Millennial Issues? I am glad you asked! Let us address this lengthy teaching and issue of great debate. This issue has to do with the *end times* and particularly the meaning of "one thousand years." The teaching on this is found only in Revelation 20:1-7. One thousand years is mentioned six times there.

Questions:
Are we to take the one thousand years literal or symbolic of a long period of time? What about the role of the church and Israel in the Millenium? What conditions prevail on earth during this time? Will Christ be physically present or reign from heaven? How is Satan bound?

These questions and more have been addressed by Christians over the Centuries. What resulted is FOUR main understandings of the Millenium. They are:

1. Postmillennialism.
2. Traditional premillennialism.
3. Dispensational premillennialism.
4. Amillennialism.

These views affect how we understand the Book of Revelation. Revelation must be understood as a series of cycles. We will address that later. (Did I mention this is lengthy teaching?)

Get ready next week for postmillennialism! We must note that there are varied teachings of each of the four views.

In Him,
Gary
