

The Holy Spirit (continued)

We saw last week, scriptures that God promised that something *new* was about to happen! What was it? What do we find in Acts 2? Is this *new thing* from God the miracles, like tongues, in Acts 2? Or could it be something else? Yes, it is something else.

This *new thing*, not found in the Old Testament is the indwelling Spirit upon all Christians! Some think that the miracles that happened in Acts 2 was what God was announcing. But we find miracles like tongues in the Old Testament. (See: Numbers 11:16-30.) So, miracles themselves cannot be the purpose or meaning of Acts 2.

Also, we must remember that miracles are **never** the main event in any situation. Miracles have one purpose and that is to point to and confirm a message from God. Miracles verify what is bring said is truly from God.

Speaking in tongues on Pentecost, therefore, was done to verify what was about to be said by the apostles. Peter was about to give the first gospel message, as it is referred to so often. The tongues got people's attention.

What was prophesied and now offered was the inward dwelling of the Spirit. The gift of the Spirit would be a sin-killing and soul strengthening blessing. This was totally new! The Spirit up to now in Old Age would empower a **few**. Now God has something better for **all**! Not for all to do the miraculous, but for all Christians to have divine help in their life to live for God. The Holy Spirit! Thank-you Lord Jesus!

About this we have much to say, and it is hard to explain, since you have become dull of hearing. For by this time you ought to be teachers, you need someone to teach you again the basic principles of the oracles of God.
