

250 !

We celebrate 250 years as a country! Super! May God continue blessing us. Remember: Righteousness exalteth a nation: but sin is a reproach to any people. Proverbs 14:34. KJV.

Actually, 250 years as a nation is not long. As we look at all the other countries/nations in the world we are a baby. I believe our country was formed for good and honorable purposes. A study of the Constitution and Amendments will show that.

Two things stick out in our minds though:

1. The second part of Proverbs 14:34 is worrying. We seem to have lost our goodness that the Founding Fathers had looked for. It is true that every generation says we are getting worse, sinfully. It seems the soul of man is weakening.

2. Along with that, with the encroachment of socialism and communism into politics, we are struggling as a country. None of these two are a positive influence for our country to survive.

What do we need then? You guessed it! God! A principle is given in Deuteronomy 28:2; *And all these blessings shall come on thee, and overtake thee. If thou shalt hearken unto the voice of the LORD thy God.* KJV.

--In Him, Gary.
