

The Holy Spirit (Continued)

Miracles Today?

We have seen reasons why miraculous gifts are no longer possible. They are A) The gifts were to proclaim what was being said in the First century. There is no such thing as new words of God continuing to be spoken today. We have the complete Word. B) The Apostles were given miraculous gifts and laid hands on some to give *them* miraculous gifts. There are NO Apostles since John died in the AD 90s.

There is a third reason we have no miraculous gifts since the First century, and that is because they were to *cease* according to 1 Corinthians 13:8-13. (Especially v.10)

This passage is part of the context of Chapter 12-14. The church at Corinth had many problems. One seems to be the subject of spiritual gifts and especially the speaking in tongues. Paul addresses the Corinthian church at the very beginning as a church with many problems. (1:10-11).

What happened in this church with miraculous gifts was that there became a kind of hierarchical order/ view of the gifts. Evidently, the gift of tongues was most important to them. Those who spoke in tongues were viewed as most important. (See Ch. 12).

We come to Chapter 13 where Paul puts ALL spiritual gifts, notably the gift of tongues, in a proper perspective. All the gifts are important when used properly for the Christian life. Close reading has Paul saying the gifts of prophecy are most important. (14:1-9)

Paul will then say there are more important gifts that we should concentrate on. ('a more excellent way', 12:31).
