### Google Reviews-*Share the Love*

If you love being a part of Risen Savior, please share your love with others online. Google reviews are a type of referral for a business/church. People searching for a new church usually begin their search online. Having recent referrals are an encouraging reason for someone new to try a church. Plus, this helps us to be found easier online when people search for us. Use the QR code to share what Risen Savior has meant to you and why you attend here!
