My Plan to Grow

Talk to God

When am I going to have my regular prayer time with God?

What am I going to use as my prayer list to guide me?

Listen to God

When am I going to read my Bible each day?

Where am I going to be when I read?

What is my reading plan for this season?

Gather with the church and Christians

What church gatherings am I going to attend to regularly?

Who are my Christian friends who will help me grow?

Who are the Christian mentors I can trust and talk to?

Give

What regular role can I take to serve God?

How many times a day do I want to encourage someone?

What am I going to do to earn money to faithfully give to God?

Go

Who are the people I can pray for regularly to know Jesus?

In what way can I practice sharing the gospel so I can be ready?
