			1 Summer Bucket List Make a list of things you want to do this summer with your family!! Include a variety of things: outside, with friends, to help others, and personal challenges.	2	3  A good day for cold watermelon!!	4 4TH OF July
5 I Need God Every Day God Was with His People Exodus 13-40	6  Retell the Bible story from this week. Use the back of your activity page to follow the journey of the Israelites.	7 Connect Question: What are the things that you need every day? (food, water, sleep, air to breathe, and play.)	8 Follow the Leader Set up a "wilderness" course in your living room or backyard. Give one family member a fluffy pillow (the cloud). Whenever the "cloud" moves, everyone must follow; when it stops, everyone must sit down and rest.	9	10 God, help us to pray and listen for your voice to know what we should do and where we should go. Thank you for your presence in our lives.	11 Sing along with our Little's Playlist!  
12 I Need God to Forgive Me Jesus & the Samaritan Woman John 4	13 Practice our memory verse 5 times this month! ☐ ☐ ☐ ☐ ☐	14 Connect Question: What does it mean to forgive? (When we forgive, we let go of our angry or upset feelings. When God forgives us, He lets go of our wrong choices and no longer sees our sins.)	15 Water Relay Race Place one full bucket of water on one side of the yard and an empty bucket on the other. Kids race to transfer water from the full bucket to the empty one using only a small cup or a soaked sponge. Discuss how water physically refreshes our bodies, just as Jesus offers "living water" to refresh our hearts.	16	17  God's love can heal hurts, big and small. Encourage your little ones to pray to Him whenever they feel upset, lonely, or scared.	18 Thank God for cool water on a hot summer day!! 
19 I Need God's Help Jesus Provided Bread from Heaven Matthew 14:13-21	20  Help prepare dinner tonight. Thank God for your food,	21 Connect Question: God cares for us when we hurt physically like when we hurt our knee or bump our elbow. God also cares for us when we hurt inside, like when we feel mad, sad, angry, or worried. God cares for us all of the time. With what things do you need God's help?	22 Make Compassion Cards Using paper, markers, and crayons, make compassion cards together. Ask your preschoolers to draw small pictures on the cards for family members, friends, or neighbors. On each card, include a simple message like, "God cares about you," or "Jesus loves you."	23	24 Pray: God, thank You for taking care of Elijah and the widow. Help us trust You every day and believe that You will give us what we need. Thank You for Your hope. Amen	25 Invite a friend to join you at church this weekend!
26 I Need God's Hope God Provided for Elijah 1 Kings 17:8-16	27  Look up a recipe to make homemade pita or tortillas. Talk about how God provided oil and flour for Elijah.	28 Connect Question: What does hope mean? (Hope means waiting and trusting that something good is coming. When we hope in God, we know we can trust God, and we can know that no matter what is going on He cares for us and takes care of us.)	29 Make a Hope Jar Draw or write things your family hopes for on small pieces of paper. Place each note in the jar as a way of "giving" those worries, hopes, and needs to God. Then talk about ways God has already provided for your family—food, shelter, friends, and love. Remind them that just like God has taken care of them in the past, He will take care of them now too.	30	 Your Father knows the things you need before you ask him. Matthew 6:8b	

Take time to practice your memory verse!
