- THIRD QUARTER
- FORTH QUARTER

SPECIAL NOTES TO PARENTS AND CLUBBERS:

Definition of terms for theme nights:

Our Oakridge AWANA Club supports children in AWANA Clubs in Africa. We have different **AFRICA \$1 NITES** throughout the year and the clubbers \$1's will go directly to AWANA in Africa and in exchange for their \$1 they will receive an AWANA share. We will also have a special mission event in February—a contest between team colors for the most change collected and all the change will go to Africa AWANA clubs!

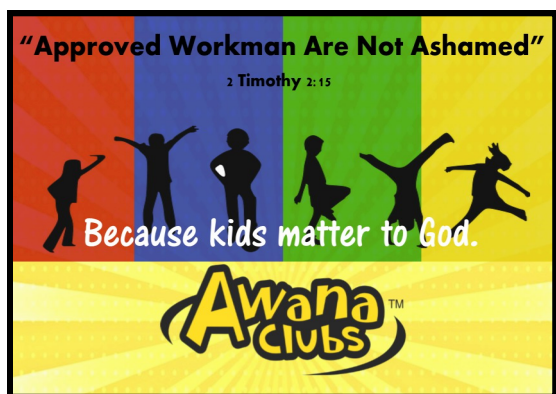

Clubbers are encouraged to **bring friends (Friend Night)** all through the year, but especially on these nights. They will receive an AWANA share for each friend they bring and the friend will receive a share. The friend may visit three times before deciding whether they would like to join AWANA or not. The clubber will receive shares each time their friend comes during those 3 visits. The shares can be collected and then spent in the AWANA Store which occurs twice a year.

NO CLUB is either Church Business Meeting or a holiday and **Quarters** are for our records

Please check out the **church website** for additional information on Oakridge's AWANA program. There you will find our AWANA Handbook (with Oakridge's rules and regulations), the theme night schedule (listed by months) and club information on each of the clubs (Puggles, Cubbies...etc.). The web address is www.oakridgebaptist.org. -Click on *Children* (on the front page) and then under *AWANA* -click on the blue **"AWANA Clubs"** words— you will find the above information there.

Parents, you have an open invitation to visit AWANA any time and are invited into council, handbook and game time with your children to just see what the program is all about. We do have special nights for you to visit also and hope that you are available to participate.

Please note: Never let cost stop you or anyone in coming to the AWANA program...we have scholarships available to help defray costs for families! God provides!

Very Important!!! Special attention: Please make sure your clubbers come with tennis shoes on for games

AWANA programs instill kids with enduring faith in Christ. Clubs for pre-kindergarten through sixth grade develop a biblical foundation for faith based on respect for God, wisdom from His Word and grace in all relationships.
