

Precious in the sight of the LORD Is the death of His saints. What a blessed Hope we have as Christians! This month has made this even more real to us . We were so thankful that we felt prompted to go back to Canada to spend time with Rob's mom before her last day. At the same time Miguel (the pastor, who runs the Bible School also travels monthly to work with us in Banamichi),lost his dad as well. Rob and Miguel spent time via video sharing with each other.. . Both were so comforted that

they have their hope in the Lord , and their strong bond with each other going through the same loss,at the same time ,is also a comfort. Even though we know that death is real ,when you face the death of a loved one it makes the sharing of the Gospel even more pertinent. We don't know anyone's last day.

Please continue to pray for our families as they grieve.

Also continue to pray for the expanding outreach in the Rio Sonora and continuing bible studies.

Rob and Miguel

While we been gone things are still happening in Banamichi and at our place , we are thankful that some of the men are starting to be a part of studies and church .

Please continue to pray for the on going Bible studies, Saturday morning kids club via internet from the group in Guaymas. Pray for unity in our dynamic small mission church plant.

We continue to do monthly evangelism outreach's in our valley , the Rio Sonora .May the Lord draw many souls to saving faith in Him,our redeemer, Jesus Christ !! Many thanks in gratitude for standing alongside in this missionary work! May the Lord be glorified and His will be done.

Sincerely, Rob and Wendy
