Key achievements

1. Well-documented records are kept of Trinity's hot lunch program.
2. Nutrition standards for competitive foods/beverages, celebrations & rewards is well-defined.
3. The school does not offer vended snacks/food.

Next Steps

Since its beginning in January of 2024, Trinity Lutheran School continues to seek out ways to improve the hot lunch program. The school will form a wellness committee to meet 2-4 times per year. We will also strengthen communication between students, families and the community regarding our wellness policy and hot lunch program.
