James 1:22-25 But don't just listen to God's word. You must do what it says. Otherwise, you are only fooling yourselves. For if you listen to the word and don't obey, it is like glancing at your face in a mirror. You see yourself, walk away, and forget what you look like. But if you look carefully into the perfect law that sets you free, and if you do what it says and don't forget what you heard, then God will bless you for doing it.

From The Lord 9/17/26

God Speaks: "Prayer is not a hard or difficult practice to put in place unless you are distant from Me. Unless you are exhausted and weary. Unless you are sporadic in meeting with Me. Unless you are angry or disappointed with Me. Unless you place others and entertainment before Me. Unless you are disobedient and unrepentant. Unless you want to be in control. Unless you are afraid, I have picked out a plan for your life that you won't find attractive or doable. Unless you are avoiding Me because of sin in your life. Prayer is hard when relationship with Me is not your focus. Prayer is hard when you listen to the lies of the enemy and are convinced that I don't care about you or your interests. Prayer is hard when you live the life of a transgressor. Prayer is hard when you speak death and bear its fruit. Yes, I agree.... prayer is difficult when your heart is not fixed on Me. But when your heart and eyes are fixed on Me THEN prayer is your lifeline to blessing, instruction, guidance, and power. This encompasses wisdom for yourself, family, everyday life, and ministry. Consistent and effective prayer is the key to victorious living. Prayer will keep our intimacy in place. Prayer will keep you from backsliding or drifting. I invite you to enter into prayer...into communion with Me. Allow the Spirit to teach you how to pray so that you may live the abundant life that is yours."
