Schedule Changes

If your schedule changes and you need to adjust the days you attend the day program, please call the front desk so we can assist you with updating your schedule. We kindly ask that you do not arrive on unplanned days without notifying us first, as it can affect staffing and program planning. Thank you for helping us keep things running smoothly!

Every Hour Counts!

Our Day Program hours are 8:00 AM–3:00 PM.

We encourage our clients to enjoy as much of the day as possible!

Each day is filled with opportunities to learn, connect with friends, build skills, and have fun. Our mornings and afternoons are full of engaging lessons, creative crafts, activities, and skill-building opportunities.

Staying for the full day gives our clients the chance to participate in everything we have planned and make the most of their time at HighPointe!

Cold & Flu Season Reminder

As we head into the colder months, cold and flu season is beginning. To help keep our clients, families, and staff healthy and safe, we kindly ask that you keep your client home if they are feeling sick or experiencing symptoms. We appreciate your help in preventing the spread of illness and keeping our HighPointe community healthy!
