

Acts 4: Jesus helps His church

Read this together before the game. Listen for five parts of the story.

1 PETER AND JOHN SPEAK

Peter and John told people that Jesus is alive. Leaders brought them in for questions. (Acts 4:1-4)

2 JESUS IS THE WAY

Peter said the healed man was made well in Jesus' name. Salvation is found in Jesus. (Acts 4:10-12)

3 THEY STAY BRAVE

The leaders saw their boldness and knew they had been with Jesus. Peter and John would not stop speaking about Him. (Acts 4:13-20)

4 THE CHURCH PRAYS

They returned to the other believers. Together they asked God for boldness, and God helped them. (Acts 4:23-31)

5 THE CHURCH SHARES

The believers cared for one another. They shared so that people in need were helped. (Acts 4:32-37)

What will we remember?

Say these three truths aloud with your group:

1. Jesus is alive, and salvation is in Him.

2. God can help me speak with courage.

3. Our church family can pray and share.

My next step this week:

Draw one way you can care for someone:
