ABOUT *Adopt A School*

The Adopt-A-School Program

Total Life Church began the Adopt-A-School Program in the Fall of 2023 to support the schools in the Hillsborough County Area.

TLC is a place where we are intentional about our giving and being a blessing to others. We love people and will never stop loving people. The Adopt-A-School Program demonstrates these values to the students, teachers, staff members and families of these schools.

The program focuses on being a source of encouragement and support in the community and making a positive change one person at a time. We genuinely believe that **we are better together.**

GETTING *Started*

1

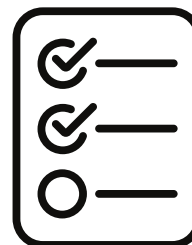

CONNECT

The first step is to establish a connection between TLC and your school. This can happen through email, a phone call, or an in-person meeting. The goal is to establish a connection before the start of the school year so that we can create a plan for activities and engagement throughout the academic year.

2

COMPLETE SCHOOL PROFILE

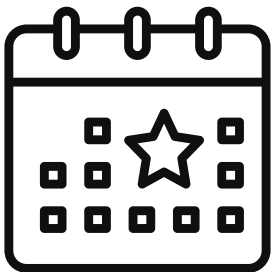

You will complete a brief questionnaire, which will help us create a profile for your school. We want to learn how we can best assist your students, teachers, and staff.

GETTING *Started*

3

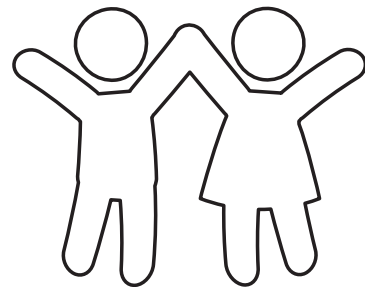

SET DATES & EVENTS

Once you complete your profile, we will coordinate with your point of contact or assigned school representative to schedule events and other activities to support your school. These dates will be tentative and can be subject to change based on the availability of our volunteers and your school's needs.

4

GET STARTED!

Let's get started! We are off to a great start once key dates and services are selected! The goal is to have a successful year and continue building a relationship between TLC and your school.

SAFETY *First*

Our Volunteers must complete a few key steps
before volunteering at your school.

VOLUNTEER APPLICATION

TLC volunteers will complete the Hillsborough County Public School Volunteer Application. They will also be provided with a copy of the Volunteer Eligibility List and the Faith-Based Partnership Guidelines of HCPS. We will maintain an up-to-date record of all volunteers who have completed this step.

BACKGROUND CHECK

At TLC, we complete background checks on all individuals who work with or have contact with children. This ensures a safe environment for children who engage in activities with TLC.

SAFETY TRAINING

All volunteers who complete the background check must complete safety training. This training reviews the safety measures to take when working with children. It provides detailed information on child abuse and reporting. All volunteers will receive a completion certificate once they have completed the training.

GETTING *Involved*

There are several ways that we would like to volunteer and get involved at your school:

Stock the Staff Room

Beautification Project

Teacher's Breakfast/Lunch

School Supply Drive

Teacher's Wishlist

Volunteer for Events

If you have additional ideas or suggestions please email us at info@tlcflorida.org

END-OF YEAR GOAL SETTING

- At the end of the year, our team will plan a final check-in to review the year and set goals for the next school year.
- During this time, we can check in about accomplishments and areas for improvement.
- The primary purpose of this meeting is to strengthen our partnership with your school.
