

MISSION PARTNERS

- Tearfund's aid work in Nepal
- BMS missionaries: Lucia Bastos, & the Hamlet family in Chad, Vincent Atwijukire in Uganda, Oksana in Afghanistan, Louise & Peter Lynch in Bangladesh, Dil Karki, Alan & Megan Barker in Nepal, the Mahon family in Peru

FBC

Sept 2026

FBC Team

- Pray for the team - church, centre, volunteers - as we return to normal routines.
- For unity of vision and mission.
- For wisdom as we consider how to best serve our growing community.
- For the trustee team who guide, support and advise the staff team

Tots & Kids

- Jesus valued children immensely, and so do we. We believe that the faith of the next generation is worth everything. A significant portion of our time and resources is invested in helping children and young people discover a living and active faith of their own.
- For wisdom for the new Kids Access Team as they seek to support families and children in our settings and share the love of Jesus week by week.
- For smooth transitions to new settings - here at FBC and for those changing classes or even schools
- Praise God for all the volunteers who take care of kids at FBC, on Sundays and throughout the week.

Praise God!

Pray for the faith and discipleship of all those who have been baptised at FBC in the last year - you may like to watch their testimonies and pray for one or two individually. Pray for those whose baptisms are coming up in the next few months

Youth & Young Adults

- Praise God for the young people who went to Satellites - may they be inspired and encouraged, and their faith grown by this experience.
- Pray for the Next Gen Connect Groups running this year and those who will be leading them - may they be places of community, growth, fun, and building faith.
- For the Sunday nights team to work well together - for the new volunteers to quickly get to know the young people
- For the 18-25 Connect Group as they begin to meet - that they would grow together as a community, and for more young adults to join them throughout the year.

FBC...

- For those experiencing poor health, grief or other difficult circumstances.
- That we would remain in Jesus, in step with the Spirit, and working for the Father's glory.
- For financial provision for the work God has for us and our mission partners locally, nationally, and around the world in the year ahead.
- For the Small Groups starting up this month to be places of connection, discipleship, and care.
- For the Alpha course starting on 30th September.

Community

- For the food provided by the Meals Team to bless people in their time of need and inspire curiosity about Jesus and the church.
- That we will be able to help people find and follow Jesus through our connections at Share.
- That those who come to Let's Talk will feel supported and seen, and know they have a place here.
