

Randy & Jan Martin

NEWSLETTER · OCTOBER 2026

Greetings to each of you in the name of Jesus,

Jan and I wanted to share a quick update before leaving tomorrow for Switzerland to celebrate our 50th wedding anniversary. Thank you to everyone who reached out with sweet comments and congratulations—we are so grateful for each of you!

Regarding my (Randy) health, I am about 95% recovered from the appendix and gallbladder removal, cleared to travel, and experiencing no complications. The cancer found in my appendix appears to be encapsulated and no additional treatments are necessary at this time. Our physician team will check me over again in January. Thank you so much for praying for me during this season. God has been so good.

My transition to Healthbridge Global continues to go well. Our team is currently focused on procuring necessary equipment for a community clinic in Kyrgyzstan and constructing a triage area in Burundi. You can learn more about our ongoing work and impact across hard-to-reach nations by visiting our website:

www.healthbridgeglobal.org

As we approach the end of the year, please prayerfully consider a year-end gift to help us finish these critical projects in Kyrgyzstan and Burundi. Please review the attachments as well.

We look forward to connecting when we return after November 13th and sharing an update from our trip around Thanksgiving.

Blessings,

Randy and Jan
