Summer Interest Groups

Home Groups break for the summer and in their place we offer Summer Interest Groups (SIGs) — a wide variety of groups that meet during the summer and create community around shared interests. SIGs offer a great way to reach out to the community and make new friends.

Sign up for groups at bit.ly/pccsig
or on the Church Center App

Group Notes:

- * To make Summer Interest Groups available for families, PCC is able to offer childcare on pre-selected dates for children 3 months - 11 years for groups that have the 'Childcare Available' label. Check group information for availability and please note that some groups meet more often than childcare is available so childcare may not be available for all group meetings.

Childcare for Summer Interest Groups —

To make Summer Interest Groups available for families, PCC is able to offer childcare on pre-selected dates for children 3 months - 11 years. (Check group information for availability and note that some groups meet more often than childcare is available.)

Prior to the start of your first meeting, please register your child(ren) so we can have the appropriate number of workers. There is a flat fee of \$70/family for childcare regardless of the number of kids you register. This covers all the childcare for that weekly time slot. (If you sign-up for groups that meet on different days of the week, please register and pay for each day separately). Payment can be completed online or using a green envelope.

Visitor Policy: Visitors are always welcome to join groups at any time during the summer. Please contact the Childcare Coordinator (childcare@pccyorktown.com), if you plan on trying a SIG and would like to utilize childcare for that event. After the first visit, please register and pay for childcare for the particular day the SIG meets.

The parent or guardian bringing the child(ren) must be attending a Summer Interest Group while the child is in care. Parents and children must abide by all of the Children's Ministry policies for wellness and behavior.

If you have any questions about childcare, please contact PCC's Childcare Coordinator (childcare@pccyorktown.com).
