THE NEHEMIAH MIRACLE

“COME LET US BUILD”

“And I said, “Come let us build”...And they said, “Let us rise up and build.” Nehemiah 2

The Nehemiah Miracle is a generosity initiative that enables us to accelerate our mission of seeing the whole community touched by the whole gospel.

PASTORS HEART

Church Family,

Come, Let us Build. Four words. Those words were uttered by real people- God's people. Words that simultaneously encompass vision, passion, commitment, trust, and effort towards a God-given task. Those were the words in response to God through His prophet Nehemiah. A call and response to rebuild the city. A city which would be a place of worship, prayer, flourishing, rest, and refuge.

We are blessed with an incredible property of 5 acres in Mableton, with almost 9,000 sq. ft. Many saints before us sacrificed, sold property, gave man-hours, and more so we could gather and worship in a refuge. A place where families are restored. Here, we have baptized you, your spouses, kids, neighbors, and even strangers. You have been to weddings and quinceañeras here. Here we have had wedding showers, baby showers, baby dedications, community events, and missions teams. It's more than a building. It is more than 5 acres. It is a house of prayer, worship, preaching, and safety. This is God's house.

In the last three years, we have grown significantly. Week after week this year in 2026, we are out of parking spots. Our property is aging and needs necessary repairs. Heavy foot traffic has worn our floors. Rain, sun, and wind have made their mark on our roof. We need an updated entry point for ADA accessibility and to bring warmth to the community.

Pure Hope Church: the building is God's house. His house deserves our care and attention to honor Him. A house that honors God is good stewardship. A house that honors God is a refuge for the lost, the broken, and the hurting. Nehemiah looked out at the leaders and asked: "Come, let us build..." The people of God answered, "Let us rise up and build."

Nehemiah closes with this: "The God of heaven will make us prosper, and we His servants will arise and build..."

Church, I'm asking you to join us in the ancient Nehemiah Miracle . A miracle of \$88,500. God will provide miracles in our "Let us build." He will also use you, like Nehemiah's leaders, to put your hand to the plow. Come, Let us build.

I look forward to sharing more in person Sunday October 4, 2026

COME

THE VISION //

God is presenting us with one of the most defining moments in our history. We believe God is calling Pure Hope Church to be an impact church, making a defining impact on the spiritual landscape of Northwest Atlanta and the world. Reaching others requires us to address the needs of our own church and choose to engage our city for its good and God's glory. It requires a sacrifice from everyone of us as we embark on this spiritual journey to see that our purpose as a community of Christ followers is more mission focused.

MIRACLES //

- See at least 100 people per year make a decision to follow Jesus.
- Have at least 75% of our attendance participate in small groups.
- Improve and Expand our facility's ability to host families for worship gatherings
- Increase our annual giving to help further the dream Jesus has given us to reach our city.

REACHING NEW GENERATIONS //

We maintain a commitment to reach every generation from the cradle to the grave because we recognize how important reaching emerging generations are to the Kingdom of God. Our community is growing. It is imperative that we have the capacity to disciple them. We find ourselves in the midst of the largest unchurched generation in human history and we commit to give generously of our time and our resources to reach that generation and change the spiritual trajectory of future generations. To do this we will:

- Increase our finances to serve families & youth with excellence.
- Construct a new, safe and secure entryway and flooring.
- Re-surface and Expand our parking lot.
- Renovate and repair the roof.
- Add an additional van for transporting families to church.

LET US...

REACHING BEYOND SUNDAYS //

We have the opportunity to see our city flourish by reaching beyond Sundays to meet the physical, social, and spiritual needs of our city. Imagine making the church the center of our community again by creating a place where people feel welcome and at home all throughout the week. Ignoring the safety net of our church pews, we will cultivate relationships with our communities through acts of amazing love while introducing them to a God of amazing grace.

REACHING BEYOND OUR BORDERS //

We have a legacy of global impact that will continue for future generations. As we continue to reach beyond our borders by investing in missions and church planting, we mobilize the Good News to transform our world. Imagine leaders from Pure Hope sent as missionaries and church planters to communities all around the southeast, the U.S. and the world to fulfill the Great Commission.

THE OPPORTUNITY //

To reach our city, we need a shift in our culture. A culture that believes that we serve Jesus best when we serve others both inside and outside the church because a church that stays in its four walls is not a church at all.

Reach has two main . The first is 100% engagement. We. Need. You. We need you to say, "Let us Rise up and Build"

- 1) Rise up and invite others to a part of the move of God here through Sunday worship and small groups.
- 2) Build through your generosity. We ask that each of us make a generosity commitment to help further the dream Jesus has given us to reach our city. Reaching our community will take more than just a church - it will take a movement. A movement of Christ followers who are not only ready to see their city revitalized but are willing to be agents of the gospel.
