

Music & Media Teams

Overview

The Music & Media Ministry at The Church at Sugar Creek strives to provide service to the congregation and our community by way of excellent vocal and instrumental music, supportive audio-visual technology, and celebratory leadership in worship through song! We are intergenerational, multi-stylistic, and open to born-again worshipers of any age, background, or skill level. While we're open to making all sorts of music & opportunities for worship through song, we do have a few ensembles that take a routine place on our platform.

Worship Choir

The Congregation is the *largest* choir of any church. In *our* church, the members of our congregation who are most passionate about worship through singing have a place in our worship choir! This group sings music of all styles, difficulties, and eras of church history. Many of our singers read music; many sing by ear! Some have sung for decades; some have only just started. We've got it all! The only requirements for joining the Worship Choir:

- Love the Lord, and
- Make a joyful noise!
- Be faithful to attend rehearsals

How To Get Started

2. **Join us for rehearsal:** meet us in the choir room at 7:00 on Wednesday Nights. We'll have a seat ready!
