

RESURRECTION: YOUR MOVE

Mark 16:1-8

1. What is an event in your life that has really challenged how you view the world or people?
2. How did you respond?
3. What about the Christian story most impacts you?
4. What about these verses do you find interesting or even strange? Why do you think it ends the way it does? (Check your bible's footnotes for more info, but it widely held it ends @v. 8)
5. Pray! For your group and people coming to service to respond to the resurrection story.
