MINISTRY TEAMS

Tier 1

In order to serve on Tier 2, it requires a deeper level of commitment and the completion of Next Steps 4.

Adult Sunday School Teaching Ministry

At The Sanctuary, our mission is to cultivate deep, committed disciples of Christ. One of the key ways we fulfill this vision is through our Sunday morning teachings. Our Adult Teaching Team is dedicated to providing engaging, biblically-rooted instruction that not only encourages spiritual growth but also equips individuals to live out their faith in everyday life. Whether through sermons, Bible studies, or discussion groups, we strive to create an environment where adults can deepen their understanding of Scripture and strengthen their relationship with God.

Children's Sunday School Teaching Ministry

The Children's Sunday School Teaching Team is focused on guiding our children from infancy through 11 years old in their spiritual development. We aim to introduce them to the love of God and the teachings of the Bible in ways that are both fun and meaningful. Through engaging lessons, songs, crafts, and hands-on activities, we help children understand core biblical truths and how they can live out their faith in everyday life. Our goal is to create a safe, welcoming space where children can grow in their knowledge of God and build a personal relationship with Him.

To ensure the safety of all children, all volunteers must undergo a background check before joining the team.

Music Ministry

Our music team is dedicated to leading the congregation into worship through music, creating a space where people can connect deeply with God. Whether through the band, praise team, or choir, our team helps create an atmosphere where God can show up and change lives. With a heart for worship and a passion for service, we aim to guide others into a meaningful encounter with God through the power of music.
