Volunteer Spotlight

Shylee Endicott
and
Aaron Weldy

At Clover Road Christian Church, we are truly grateful for the more than 275 volunteers who faithfully serve our church family week after week. Your willingness to give your time, energy, and heart is what helps our church thrive and makes such a meaningful difference in the lives of others. This month, we are especially honored to recognize two individuals whose faithful service reflects a true servant's heart, Shylee Endicott and Aaron Weldy. Their dependable spirit, humble attitude, and steady commitment bless our church in ways that are deeply felt by many. We are thankful for Shylee and Aaron, and for the example they set through their faithfulness and willingness to serve. And we remain deeply grateful for every one of our volunteers who help make Clover Road Christian Church such a caring and vibrant place to worship and grow together. If you have been considering getting more involved, we would love to help you take the Next Step. Please connect with a staff member, elder, or deacon to learn more about opportunities to serve and make a difference at CRCC.

Shylee Endicott

Tell us a little about yourself. My name is Shylee Endicott. I've been married to my husband for five years (this time!), and together we have a big, busy family with nine children, one grandchild, and two more grandchildren on the way. Family time is a big part of my life, and there is rarely a dull moment in our house. I've been playing bass guitar for about ten years and love being involved in music. I'm also a teacher at Hannibal Career and Technical Center, where I enjoy helping students learn and grow as they prepare for their futures. Outside of teaching and family life, I'm a black belt in Taekwondo, which has taught me a lot about discipline, perseverance, and personal growth.

Where do you serve & how long have you been serving in this role? I currently serve on the worship team and have been playing bass for several years. Music has been a meaningful way for me to be involved in worship and serve the church community. In 2023, I also began serving as a small group co-leader, which has been a great opportunity to connect with others, grow in faith together, and support one another in our walks with Christ.

Why did you choose to get involved in this role? I chose to get involved because I believe God has given me the gift of leading and a passion for music. When I first started learning to play the bass, I felt a strong desire to use that gift to serve in worship. Being part of the worship team and helping lead others in worship has been a meaningful way for me to use the talents God has given me and grow in my faith.

How has serving at CRCC had an impact on you? Serving at Clover Road Christian Church has had a huge impact on my life. One of the biggest blessings has been how much my "village" has grown. Through serving, I've built a strong support system and community that I honestly didn't think I would ever have. The relationships and encouragement from others have meant so much to my family and me.

What has been the biggest surprise about volunteering? The biggest surprise about volunteering has been seeing the desire in my children to serve alongside me. Watching them step in, help, and want to be part of serving others has been incredibly meaningful and one of the most rewarding parts of being involved.

Just for fun, if you were the 8th dwarf, what would your name be? If I were the 8th dwarf, I would be named Steady. Just like the bass in a band, I keep everything else grounded.

Aaron Weldy

Where do you serve & how long have you been serving in this role? My name is Aaron. I'm 13 and have been serving in children's tech for 3 years and I do lights for the church service. I also help in Wee World Changers (Preschool).

Why did you choose to get involved in this role? I wanted to do children's tech because it reminded me of when I was upstairs. For lights, I saw Noah (my brother) doing it and I thought it looked fun. And the view is pretty good.

How has serving at CRCC had an impact on you? I love watching the kids upstairs and it reminds me of when I was upstairs.

What has been the biggest surprise about volunteering? Probably seeing how many light cues there are.

Just for fun, if you were the 8th dwarf, what would your name be? It might sound funny but probably jokester.
