

Frequently Asked Questions

What is GroupLink?

Think of GroupLink as a small group open house. Each leader of an open group will have a table on the patio after each service on September 20th. Each table will have a sign identifying the day of the week/location/type of group they are. You'll have the opportunity to visit with leaders from several open groups, learn about each one, ask questions, and choose the group that feels like the best fit for you.

How Long is the Commitment?

Some of our groups have existed prior to the churchwide campaign, and will continue one after the campaign is over. Some of our groups are formed only for the 5-week duration of the campaign (but many decide to continue too!) Long story short, we are asking you to commit for 5 weeks, but after that, it's up to you!

Is Childcare Available?

Free childcare will be available on-site for our Sunday night and Wednesday night large groups that meet on campus. For off-campus groups, it is up to the individual leaders to determine how they handle childcare. We will always offer childcare reimbursement for those that hire their own sitters.

What if I don't connect with or find a group?

Not to worry! Materials will still be available to you. The books available for purchase contain all of the sermon notes, daily readings and video questions. The weekly videos that the small groups will use for the study will be available on our website dogwood.church/forgiving.

Do I have to find my group at GroupLink?

The short answer is no. However, open groups have limited space and will fill up quickly. Large groups on campus will have no cap. If you are unable to attend GroupLink in person, but still need a group, we will send out a link after the event with a link to sign up for any of the groups that still have space.

What do I need to participate?

For GroupLink, all you need to do is show up! For the Churchwide Campaign, we will have workbooks available for purchase in the lobby beginning September 20th. Workbooks will also be available on Amazon.
