THE TIPPING POINT “PRAY”

“I Will Pray For Missionaries!”

“The prayer of a righteous person is powerful and effective.”

- James 5:16b

Say:

Prayer is one of the most powerful tools God has given His children! But sometimes, we might think our prayers are too small, too simple, or not important enough for God to hear.

The Bible tells us that every prayer matters and is powerful! God listens to His children, and He answers in His perfect timing.

Read:

Acts 12

Discuss:

- What was the name of the man in prison?
- What were the people doing for Peter in a house across town?
- When Peter woke up, what did he see in front of him?
- When she saw Peter at the door, what did the young girl do?

Say:

Prayer isn't just something nice to do before meals or bedtime—it's part of God's plan to change the world!

Think of prayer like adding weights to a scale. Every time we pray, it tips the scale a little more toward God's will being done. We never know which prayer might be the tipping point that brings about a miracle.

Discuss:

- Do you think God still listens when we pray?
- Can you think of a time you prayed for something and saw God answer in a special way?
- What are some things we can pray for today that might “tip the scale” toward God's will being done?

Pray:

Spend some time praying for missionaries. Remind your children that their prayer could be the tipping point!
