2026 Baby Bottle Campaign (May 10th – June 21st)

Today we are inviting you to support Island Pregnancy Centre through their Annual Baby Bottle Campaign — this is their largest fundraiser of the year, and 100% raised go to supporting their supports and services for more than 500 women, children, and families across PEI. IPC offers compassionate care and practical support during some of life's most challenging seasons. They support families facing emotional struggles, financial hardship, and mental health challenges, helping them find hope, stability, and support when they need it most.

Through this ministry, families can access services such as free Baby Boutiques, professional counselling, pregnancy tests and options information, Car Seat Program, Breast Pump Program, and supportive housing for mothers and babies through Hope House Mother's Home.

This is a beautiful opportunity for us, as the Church, to be hands and feet of Jesus in a tangible way.

Every donation through this campaign makes these life-changing services possible.

By donating online, with cash or by cheque, you are making a real difference for families right here in our community.

Please prayerfully consider participating in this year's Baby Bottle Campaign and partnering with Island Pregnancy Centre as they continue to share God's love, hope, and care with women, children, and families across our Island.

"Let us not love with words or speech, but with actions and in truth." 1 John 3:18
