WORLD COMMUNION SUNDAY

World Communion Sunday is a special
day where Christians all over the
world take Communion together to
show that they are all part of one big
global family.

STEWARDSHIP and SHARING

RBCC Stewardship Campaign begins.
Every person has something to give.
Each Sunday in October we will
discover new ideas about giving.

When I Go to Church, I Belong

micro PRACTICE

Sometimes people tried to trap
Jesus with tough questions. In
those moments, he stayed
focused on love and justice.

When someone tries to
distract you from your path,
say to yourself, "I will focus
on what is good and true."

LOVE IN ACTION

Ways for families can care for
our neighbors and our world.

- Make bread with your family.
- Help make sandwiches on Sunday 10/11.
- What is a talent you can share with our church as one way of giving?

Small actions. Big impact.
