(A complete prayer list is located in the church office.)

- When pain lingers, we may presume the Lord has forgotten
- When the Lord delays, we must consider that we may be wrong
- When the Lord comes, he brings more than we can imagine.

For Personal Reflection and Application

- 1) Where am I most tempted to believe that Jesus has forgotten me, delayed too long, or moved on to someone else?
- 2) Am I approaching Jesus more like the suffering woman, feeling too unworthy to be noticed, or more like Jairus, frustrated that he has not acted on my timeline?
- 3) What would it look like for me to trust Jesus' words, "Don't be afraid. Only believe," in the place where grief, fear, or disappointment has been speaking the loudest?
