- Compromise wants to manage the truth, not obey it

- Compromise fears the crowd, not God

- Compromise offers a discount now, but demands full price later

For Personal Reflection and Application

- 1) Where are you currently treating God’s word like an on-demand playlist by listening to what comforts you while tuning out what confronts you?
- 2) Who are the “guests“ in your life whose approval tempts you to compromise your integrity? Where are you currently choosing the fear of the room over the fear of God?
- 3) Read 1 John 1:7-9. What is one specific compromise you need to stop negotiating with and finally bring into the light through confession this week?
