Reflect and Practice

- 1) Where are you defending your record? In Luke 18:11-12, a religious leader tries to prove he belongs by highlighting his spiritual resume. Right now, are you trying to justify yourself before God by your good behavior, or making excuses to minimize your failures?

What is the one area of your life you are most terrified to admit is completely broken?
- 2) Practice Empty-Handed Prayer whenever you pray this week...
 - Acknowledge your Need: Like the tax collector in Luke 18:13, start by being completely honest about where you have fallen short, without trying to hide it or minimize it.
 - Pivot to His Provision: Immediately switch your focus from your unworthiness to His character. Remind yourself that you don't need perfection to approach God. You just need to trust that His table is overflowing with more than enough grace to cover your day
