- Spreading the Fire: The Sin of Tripping Others (9:42)
- Escaping the Fire: The Urgency of Radical Surgery (9:43-48)
- Refined by the Fire: The Power of Gospel Grace (9:49-50)

For Personal Reflection and Application

- 1) Romans 14:13 calls us to “decide never to put a stumbling block or pitfall in the way of your brother or sister.” Is there anything in my attitude, words, habits, relationships, or example that could be making it harder for someone around me to trust, follow, or become more like Jesus?
- 2) Read Hebrews 12:1. What is one specific sin, habit, relationship, environment, or access point I need to remove, restrict, or radically change this week, and what concrete step will I take to do it?
- 3) Meditate on Titus 2:11–14. How does what Jesus has already done for me (giving Himself to redeem, cleanse, and make me His own) change the way I fight the sin that still remains in me?
