Opinion

We have audited the accompanying financial statements of Parkway Baptist Church of Victoria, Texas (a nonprofit organization), which comprise the statements of financial position as of December 31, 2025 and 2024, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Parkway Baptist Church of Victoria, Texas as of December 31, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Parkway Baptist Church of Victoria, Texas and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Parkway Baptist Church of Victoria, Texas's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Parkway Baptist Church of Victoria, Texas's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Parkway Baptist Church of Victoria, Texas's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

PARKWAY BAPTIST CHURCH OF VICTORIA, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Parkway Baptist Church of Victoria, Texas (Parkway Church) is operated to fulfill the Great Commission (Matthew 28:19-20) by carrying out the Great Commandment (Matthew 22:36-40). Parkway Church seeks to accomplish this through evangelism, worship, ministry, discipleship, and fellowship. The Church is primarily funded through member contributions.

Parkway Church meets at four locations: John Stockbauer Drive in Victoria, Texas, Lone Tree Road in Victoria, Texas, 2400 Hwy 35 South in Port Lavaca, Texas, and in various rented spaces in Cuero, Texas. Facilities at both Victoria locations and the Port Lavaca location are wholly owned by Parkway Church.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets and support, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Church's management and the Church's stewardship committee.

Net assets with donor restrictions – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the church and/or the passage of time. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Measure of Operations

The statements of activities report all changes in net assets, including changes in net assets from operating activities. Operating activities consist of those items attributable to the Church's ongoing ministries, interest earned on cash equivalent accounts and certificates of deposit, and gains and losses on the sale of property, plant, and equipment.

Cash and Cash Equivalents

Cash equivalents consist of short-term, highly liquid investments, which are readily convertible into cash within ninety (90) days of purchase.

Certificates of Deposit and Southern Baptists of Texas Foundation CET Certificates

Certificates of deposit and Southern Baptists of Texas Foundation CET Certificates have maturity dates of daily, six months, seven months, eleven months, and one year.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

Revenue associated with the Church's KidzDay and Café program are recognized in accordance with ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)*. This guidance outlines a single, comprehensive model for accounting for revenue from contracts with customers. The Church recognizes revenue from contracts with customers when each of the following four criteria are met: (1) a contract or sales arrangement exists, (2) services have been rendered, (3) the price of the products or services is fixed or determinable, and (4) collectability is reasonably assured.

Income Taxes

Parkway Church is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code as a subordinate of the Southern Baptists of Texas Convention, Inc. through a Group Exemption Number 3779. Therefore, Parkway Church has made no provision for federal income taxes in the accompanying financial statements. In addition, the Internal Revenue Service has determined Parkway Church not to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Organization may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Organization and various positions related to the potential sources of unrelated business taxable income. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There was no unrelated business taxable income and no unrecognized tax benefits identified or recorded as liabilities for the years ended December 31, 2025 and 2024.

Parkway Church is no longer subject to examination by the Internal Revenue Service for years prior to 2022.

Prepaid Expenses

Expense items of a nature that will benefit future periods are charged to the prepaid expense account and are expensed in the future periods that are benefited.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment

Property and equipment owned by Parkway Church are reflected at the original cost if acquired by purchase and, if acquired by donation, at the fair market value at the time donated. Fixed assets are depreciated on the straight-line basis over their estimated useful lives. Buildings are depreciated over forty years, building improvements over twelve years, office equipment over six to twelve years, and computer software over three years. Assets with an original cost or fair market value greater than \$2,500 are capitalized. Depreciation expense incurred for the years ended December 31, 2025 and 2024 was \$287,549 and \$290,132, respectively.

Contributions

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Donated Services

Contributions of donated services that create or enhance non-financial assets or that require specialized skills and are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received. Parkway Church received donated services from a variety of unpaid volunteers. Donated services were valued at \$1,150 and \$2,560 for the fiscal years ended December 31, 2025 and 2024, respectively. In addition to the donated services noted above, a substantial number of volunteers donated significant amounts of their time to Parkway Church's ministry. However, these services do not meet the criteria for recognition as contributed services under United States generally accepted accounting principles.

Donated Materials

Materials are donated throughout the year to Parkway Church. Donated materials were valued at \$5,715 and \$1,835 for the fiscal years ended December 31, 2025 and 2024, respectively.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions. Actual results could differ from those estimates.

NOTE 5: CONTRACT REVENUE RECOGNITION

The Church recognizes contract revenue from customers from two different sources, the KidzDay program and Café sales. Revenue by Product/Service Line and Timing of Revenue Recognition are as follows:

KidzDay

Through the KidzDay program, the Church provides childcare service for families in the Victoria, Texas area. Revenue associated with this program can be segregated into two distinct groups.

KidzDay Registration

Participants in the KidzDay program pay an upfront fixed fee to Parkway Church for the Church to reserve a space for the participant in the program. Revenue associated with registration is recognized at the receipt of payment as the participant's space in the program is also reserved at that time, and the Church is not liable to refund payments in the event that the participant does not utilize the space in the program that they have reserved.

KidzDay Tuition

Participants in the KidzDay program pay a tuition fee for a month of childcare service provided by Parkway Church. Tuition fees are at fixed rates, with specific rates charged for standard participants, participants who are on the Parkway Church staff, and participants with multiple children enrolled in the program. Tuition fees are paid at the beginning of the month. The Church recognizes revenue over the period of time services are provided. The Church is not liable to refund participant fees if the participant's child does not attend the program. As tuition fees are collected in the month they apply to, there are no material prepaid balances as of the end of the year, and no related liability or deferred revenue is recognized.

Café

The Church operates a café at the Parkway Victoria campus that provides refreshments to congregants on Sunday mornings. The Church charges a fixed rate for the food and drink served at the café. Revenue is recognized at the point of sale of the food and drink items. All sales at the café are final and no refunds are issued.

Parkway Church maintains a "Flexible Benefit Plan" or Cafeteria Plan for its employees. This plan allows employees to choose from several different insurance and fringe benefit programs according to their individual needs. The Church provides eligible employees with the opportunity to use pre-tax dollars to pay for benefits by entering into a salary reduction arrangement.
